

# Women's Section Re-launch

## ST PATRICK'S DAY RELAUNCH OF WOMENS SECTION 2009

Following the formal Business Meeting' when 30 women were present we had social time 'fizzy' was served while everyone enjoyed a quiz with an Irish theme led by the Chairman. The prize of a pot plant was won by Wendy McCaffety.

There was a green raffle with prizes ranging from flowers in a green vase to an After Eight Easter Egg in a green box and the Irish theme was continued with a green bring and buy. Maureen Gough had knitted some fluffy scarves which are very fashionable. Everything for the evening was donated.

The evening was rounded off with Jason playing us Irish songs on his piano accordion and some of the men joined us.

A re-launch we should always remember.

The room was suitably decorated for St Patrick's Day
